Is SNAP Acceptance a Good Fit for your Outlet?

1. Do you meet the USDA's Staple Food Requirements?
   - Yes
   - No

2. Are you located in an area accessible to low-income community members?
   - Yes
   - No

3. Is there a "responsible official" committed to managing the program?
   - Yes
   - No

4. Do you have a plan for funding your program and obtaining EBT equipment?
   - Yes
   - No

   Your outlet is not eligible, but you may be able to vend at a farmers market with a centralized EBT system.

   SNAP/EBT acceptance might not be a good fit for your market unless you can overcome the barriers to folks getting to your market.

   There are many ways to fund your SNAP/EBT Program. Here are 10.

   A responsible official must be listed on the application. They must ensure all market stakeholders adhere to SNAP laws, regulations, and policies.
